

ZIMBABWE NEWS:

August 31st was Rev Nhlanganiso Moyo's 40th birthday. Happy birthday, Nhlanganiso.

Our K through 12 kids go back to school next month. And yes we have funds to pay their school fees.

Vocational training fees for our 5 guys and 6 gals are payable in September. Nhlanganiso reports they are all doing very well in their class room studies and are getting valuable hands on experience.

We have funds to carry them through the rest of 2015. Thanks to Bill Weber's bowl project and your generous support.
